# About Blueliv

Blueliv is a leading cyber threat intelligence provider, headquartered from Barcelona, Spain. We scour the open, deep and dark web to deliver fresh, automated and actionable threat intelligence to organizations, helping protect their networks from the outside in. Blueliv's scalable cloud-based technology turns global threat data into sophisticated, relevant intelligence. We enable organizations to save time and resource by accelerating incident response performance, providing user-friendly evidence accessible to all levels within cybersecurity operations teams. Our pay-as-you-need solution delivers an accelerated, predictive view of the threat landscape in real-time. We do not believe in a one-size-fits-all approach, and work together to configure a modular solution bespoke to your needs using separate intelligence modules, all backed up by our world-class in-house analyst team. Blueliv has been named 'Threat Intelligence Company of the Year' by Cybersecurity Breakthrough Awards, a Gartner 'Cool Vendor,' and Go-Ignite winner, in addition to holding affiliate membership of FS-ISAC for several years.
